SUMMARY

Frontend-focused web developer with strong skills in building responsive, user-friendly interfaces and integrating APIs. Experienced with modern animation libraries to create smooth, engaging UI experiences, with working knowledge of backend development and integrations.

WORK EXPERIENCE

INFOLABZ IT SERVICES PVT. LTD.

July 2025

React.js Developer Intern

Completed a summer internship focused on React development. Gained hands-on experience working with React components, hooks, state management, and reusable UI structures. Contributed to two React-based projects, implementing responsive layouts and interactive features. Strengthened practical understanding of component-based architecture and modern frontend development practices.

PRODIGY INFOTECH

April 2024 - May 2024

Frontend Developer Intern

Completed a 1-month internship focused on frontend development and UI building. Created multiple mini projects using JavaScript, CSS, and Tailwind CSS. Gained hands-on experience in responsive design, component structuring, and basic deployment processes.

PROJECTS

Mane - More (*React.js, Lenis, Motion, Node.js, Redux Toolkit, MongoDB*)

[Demo](#)

- Freelance full-stack developer for a Canada-based e-commerce client; built scalable React components and managed global state using Redux Toolkit.
- Integrated frontend with backend APIs for authentication and data flow; contributed to backend debugging and database issue resolution.

Trading Web App (*React.js, Tailwind CSS, Node.js, Express.js, MongoDB*)

- Developed a MERN stack trading simulation application modeling real-world trading workflows with responsive frontend and backend services.
- Completed as a learning-focused project; evaluated with an AA grade.

Browser Automation Extension (Chrome) (*JavaScript, Dynamic DOM, MutationObserver*)

- Built a Chrome extension using JavaScript and MutationObserver to automate permitted interactions on dynamic media platforms.
- Analyzed browser security constraints and real-world limitations of UI automation.

EDUCATION

July 2023 - July 2026	B.tech (IT) at Sigma institute, Baroda(GTU)	(Current GPA: 8.14/10)
Aug 2020 - July 2023	Diploma (IT) at Government polytechnic, Ahmedabad	(GPA: 7.8/10)
